About ShadowLore

ShadowLore is a network whose sole purpose is to put adults of like interest and like minds in touch with one another, both online and off. Fae, Elves, Donors, Dragons, OtherKin, Therians (WereCreatures), Vampires, and Witches, as well, as those interested. Everyone is Welcome!

We are not here to weed out the posers or those who want to be something they are not. It is about learning to accept each other as individuals and not for what we claim to be. It's about learning to tolerate our differences while still holding on to our own individual beliefs. And by offering support, friendship and the sharing of our knowledge we are giving those in search of answers the opportunity to decide for themselves that they don't have to pretend to be something they are not just to be accepted.

ShadowLore is not just an online organization. We have local branches throughout the United States, Canada, and Scotland that facilitate offline friendship, gatherings, and support for all kindred. We encourage you to find the local branch near you and get involved. The support you receive will make your time well spent.

The Gatherings

The Gatherings are held twice a year in the spring and fall at The Lodge in Eagles Mere. A rustic log cabin that, with its 9 bedrooms, is capable of handling 40+ people. We host these gatherings so all who have spoken online can finally meet one another. So many of us are lost and so very sure that we are the only ones to feel as we do. Meeting others like ourselves helps us to know that we are not alone and that there are others out there willing to share their knowledge. Hosting these gatherings is just one way that ShadowLore reaches out to all who are searching for friendship and support.

The inside of the lodge is as striking as the outside. There are 9 bedrooms, 4 bathrooms, 2 half baths, a fully equipped kitchen, a game room and numerous sitting rooms. There is also a hot tub that will seat 8 comfortably.
